As the name suggests, Avola Grey is heavily structured, as if worn by nature's oceans.

The wild grain pattern, combined with deep texture and grey tones combine superbly well with the contrast of the calm Image Linea Grey Mist Gloss.

The mixing of the gloss unicolour, matt texture and timber finish is on trend and will remain so, for many years to come.

Featured is the Linea top fix pull handle adding to the overall visual appeal.

Avola Linea White

Sicily's Avola region produces bold, strong, rich wines on volcanic soil and is famed for its light fresh airy appeal.

The Avola range of doors could be said to mirror this assertion, the colours complimenting each other yet independently cover the spectrum of hues from the rich red brown of Avola Truffle, light washed pumice of the Avola Grey, the sparkling pinks of Avola Champagne to the strength of light irradiated by Avola White.

Individually or integrated, the colour palette affords the opportunity to create truly stunning kitchens.
